Dear Dr. and Mrs. Moskowitz:

On behalf of the people your gift of \$100,000.00 will serve, please accept our thanks for your generosity to the people of Japan. Your General Manager Sal Flores was kind enough to bring the check personally to our offices today.

We are grateful for your donation and support it provides as the people of Japan begin the recover from the Earthquake and Pacific Tsunami that occurred March 11. The Japanese Red Cross is a highly experience disaster relief organization with 2 million volunteers. These local volunteers are distributing relief items, making sure displaced people are offered hot meals, clearing debris and providing medical transportation.

Half million people have been evacuated to the 2000 shelters operated by the Government and supported by the Japanese Red Cross. They have handed out more than 100,000 blankets with more on the way.

Your generous donation provides much needed assistance in support of these Japanese Red Cross disaster relief activities.

As the response evolves, please visit www.redcross.org to see photos of your gifts at work. Once again, thank you for your compassionate support of the American Red Cross and the Japanese Red Cross.

Best regards,

Margaret Arbini Madonna
Public Support Officer
